

Communication is very important to us at Agape Christian School. We use the D6 School Communicator as our main platform for communication. Please download the D6 Communicator onto your mobile device, which is a very simple and convenient process.

### What is the D6 School Communicator?

The D6 School Communicator is a stand-alone application designed to simplify school-parent communication which includes important information such as newsletters, term planners, important notices, alerts, useful resources and a gallery. All this at just a touch of a button, staying up to date and informed about your child's schooling career has never been easier.

### Steps to follow to download the D6 application

- 1) Go to the playstore app on your mobile device.
- 2) Search D6 Communicator.
- 3) Download the **BLUE D6 School Communicator icon** application.
- 4) Once downloaded open the app and you will need to put in your name and email address.
- 5) You will then be prompted to pick a country.
- 6) A list of schools will then pop up, search for Agape Christian School, once found tap the screen to tick our School.
- 7) Complete registration by pushing the blue circle on the bottom right side.

Well done! You are now registered on the D6 app and will receive updates from us on a regular basis.
